“ Audrey. I'm so sorry to hear of Jacks passing. We were 7 days apart on our birthdays and we went to high school together. You were a year behind us. I also worked with him at Consolidated Fence Co. when Dick Truitt owned it. He was such a funny guy in school and to work with. He will be missed. My condolences to you and your family.

“ Even only knowing you for 7 years when I bought my house down the street from you and Audrey, I knew you were a kind man. You welcomed me to the neighborhood and I valued your friendship and your help on several occasions. Especially with you and Audrey getting my loveseat in my house with such narrow doors. Fixing my hedge flippers when I was ready to throw them away even tho they were fairly new. You laughed at me. You will be missed by many who loved you including the rest of my family. The only solace is that you are no longer suffering. Rest in peace, Jack and thank you for your friendship.
