“ James Columbus Sledge was a mighty terrific man who always sought and found the best qualities in others. It was a joy to listen to him speak so fondly of his grandchildren who are very active in several sports, especially Miss Khole - a budding gymnast. Never met a man who dearly loved and respected his childhood buddies as much as he did - always ready to lift a comforting hand when needed. Oh, how I will miss and hold dear his sweet and kind life.

May The Sledge Family take much comfort in knowing that your father and grandfather is at rest. Hold onto those special memories that are filled with lots of love, laughter and the good things that you shared with James.

With gentle comfort,
Pat McNeil
