“ Beth was special. She had a wicked sense of humor, didn't put up with any bull, and had the kindest heart of anyone we have known. She was a dear friend to both of us, and our kids, (adults now), loved when she babysat. We were lucky to have had her in our lives. All our love to her family, Jean Sturgell & Ron Corless

“ Beth and I spent a lot of time together when we were in high school and as young adults. We helped each other through the good times and the bad. The bad time talks always started with a loaded pizza a 6 of Bud Light and I am on my way. We would talk for hours. But my favorite memory will always be when Jamie was born. Being a part of that day will always be my favorite memory with Beth
