Vera Dean (Bowers) Pease was born at home in Iron, Illinois on October 11, 1935. She went to be with her Lord and Savior on Tuesday, April 28, 2020 at SSM Health, St. Mary's Hospital in Centralia.

She was the third of five children born to Zella Irene (Smith) Bowers and John Franklin Bowers. After her mother's death during childbirth her father remarried and there were four more children by this marriage. She learned to sew at a very young age out of necessity to make her clothing and clothing for her siblings.

She married Robert Virgil Pease on February 1, 1952 at the tender age of 16. She became a mother to Gloria Elizabeth on September 29, 1953 and again to James Robert (Bob) on March 31, 1956. Over the years she turned the skill of sewing into a very good business that helped support her family.

She loved crafting, painting, and sewing, especially her love for quilting. She enjoyed all kinds of outdoor activities including gardening. She loved cook, and baker for her family and friends. She loved camping and dearly treasured the time that was spent on Kentucky Lake with her family and friends. She enjoyed dancing and going out for nice meals. She loved to play the slot machines on occasion, with her friend Jackie. Her greatest love was spending time with her family and friends.

Vera Dean was a loving wife and mother. She would give you the shirt off her back if you needed it. She was always for the underdog, mostly because of her childhood years of growing up poor. She was known for her tough love and she would render her opinion even when you didn't ask for it.

“ I'm so sorry for your loss! I only knew her a short time but I thoroughly enjoyed our brief friendship. I wish I had gotten to know her when we were both able to get around and into trouble! She was quite a character!

“ Oh how I loved this lady. We enjoyed so much of the same activities. When Dean Edie, and I. would get together, we would lose track of time. We enjoyed each other so much. I will surely miss her but know she is in a better place.
