JH

“ *Marsha, We were so sorry to learn of your mother's passing. We both remember the great college parties your Mother let us have at your house. She was a very gracious person and always had a smile on her face. We will keep you in our thoughts and prayers. John and Ruth Ann Hawkins*

NW

“ Aline (AKA Grandma Root) was the strongest woman I've ever known. She worked hard, had supper on the table at the same time everyday. She never raised her voice or complained about anything. She taught me how to cook and about outdoor plants. But most of all she helped me raise my children. She was the storybook grandmother. I don't know what I would have ever done without her. I feel privileged to have had her in my life. I will cherish my memories of her always.

“ September 13, 2017 Marsha, Charley, and Family, No matter the health circumstances, the final good-by to a mother is never easy. I have fond memories of August visits to celebrate her birthday, visits as a child and young adult, and most of all, her dry, witty sense of humor. Not often, but sometimes Doug and I would stop by on our way to Southern Illinois, and there was always a blackberry pie or some dessert before she sent us on our way. She was a wonderful aunt to me and a great lady. Love, Margaret Aline Bauman Lyng  
"Mothers are the aristocrats who make of us the better sort."
