“ I only knew her for a little over a year, but you wouldn't of known that. We didn't talk everyday or hangout a lot.. But that didn't seem to matter, we still kept in touch and in my heart I knew she was always someone I could count on for advice or just someone to talk to when I was having a rough day. I truly believe that Andrea was an angel sent to me. She helped me through some of my darkest days and you would have thought I'd known her my whole life, she didn't tell me what I wanted to hear.. she would tell me the truth no matter how hard it was and exactly how it was. She had the kindest heart and was so accepting. They don't make em like her anymore. Grateful for the memories I have. My heart hurts for so many people right now, praying for comfort and peace for all.

Gary and I will fondly remember "Andreka" as Gary called her. That was our little moment. I would always ask Gary her name and he would always say Andreka. She never seemed to mind and always rewarded us with her amazing smile that was always accompanied by a twinkle in her eye. We offer our heartfelt thank you for the care she gave Gary and the guys. More than that, we send out heartfelt condolences and prayers to all who loved her. Gone too soon.
