“ There isn't a day that goes by, Daddy, that I don't think of u. They say time heals all wounds, they say it gets easier, they say I'll be ok. But that's all lies. I do know that I will keep going the best that I can, for u. I wish I could go back and save u and still have u here today. U were my best friend, the best Daddy I ever had, and the greatest man I'll ever know. Til the day we are together again I'll make sure ur memories stay alive. No one will ever forget u while I'm around, especially not me. I live u Head. R.I.P. Daddy. 03-19-1958 to 04-29-2016

“ I love and miss u so very much Daddy. There isn't a day that goes by that I don't think of u, and pray that u were here. U were the greatest Daddy. U showed up and raised 3 children that weren't urs when u didn't have to. U showed me exactly what a dad was, the good and the bad of a man, and what true love is. I wish I could go back and make u better, so u would still be here. R.I.P. Daddy. Til I see u again in my heart is where u will be. I love u Daddy!!! (Head, Big D)
