“ I am is sorry to learn of Ann's passing. With her passing came the end of another Jackson generation. She was a very sweet lady, and I always enjoyed my visits with her and Stan at the Jackson-Hodges Reunion. We all enjoyed our antiquing experiences and were eager to share information about new acquisitions. Ann helped me with information about her branch of the family when I was developing the Jackson history. I am so glad I could be with Ann and others of the family when we had our last Jackson reunion in May 2014. She will certainly be missed by her friends and family here on earth, but I know she is enjoying that Heavenly Reunion. Until we meet again.
