“ *My heart was so saddened to hear of Betty's passing, but at the same time, I know that she is at "home" with her Lord, who she has served so faithfully ever since I have known her. I met & worked with Betty in the early 1960's at the "City National Bank" in Centralia, & later attended church with her & became friends with her whole family. She was such a sweet, gentle true Christian lady who I dearly loved all through the years. May God give comfort, peace & strength to her husband, Bob, all her children & grandchildren. With deepest sympathy, thoughts & prayers for each.*
