“ *Dear Micky:L*

*It was an honor to take care of you and Donald, You both were missed by us aides at Heritage Woods. I absolutely missed our conversations that we had about cosmotology and dancing. You made me laugh when I felt down, and somehow you sensed it. I am happy you are at peace with our heavenly father, but you will be missed by all that knew you.*

*Love and Miss you already my friend:

“ Dear Danny and Kandi, This was somewhat of a shock, even though I knew your mom had been having problems for several years. The memories I have of your mom and dad!! My parents, Jane and Louie, loved the both of them so much and they all had such a wonderful time together. Of course, the dancing meant so much to all of them and they had some really great times. Your mom was such a great help to me when I lost my mom and before, during her very long illness. Know that my prayers are with you both and your families during this time. May God bless you and give you strength to keep in mind all of the wonderful memories and relieve your pain.

Much love,

Marsha (Hays) Lehmann
