“ *Bruce Capp Family,*

We are truly sorry for your loss of Bruce. He was a great man and we enjoyed working with him over the years. He was very passionate about his work and was surely knowledgeable when it came to equipment. He has already been missed by us by not hearing his voice when he calls into our office.

May God be with you and comfort you for your loss.

“ Wedding days are often rushed and busy and it’s hard to even look back and remember most of the small moments of the day. However, one cherished memory I’ll always have of my wedding day is sitting at my wedding table and an order of hot wings is delivered right to my plate! Looking over I see Bruce and Tammy with the biggest grins and thumbs up and I’ll never forget that!

Tammy, I wish you and your daughters peace and healing in this difficult time. Bruce’s love, memories and spirit will be with you always!

My heart goes out to the Kapp family. I only met Bruce a few times, but I was well aware of the true love he and Tammy shared for decades. It was always something I truly admired in them and wanted to aspire to in my own marriage. I am so deeply saddened and sorry for your loss.
