“ It is with a sad heart to see such a fun loving guy who worked hard at his Groundskeeper job at Rich School District, ... pass on. He did a heck of a job keeping the ball fields ready for the kids... I'm happy he retired early to get several retirement years to enjoy his family and friends on his 2 wheeler.... t.l.l. 7/27/21 (former facilities supervisor at R.S.)

“ Bruce was a childhood friend, having grown up in the same neighborhood and attending grade school together. He is remembered as a kind and gentle person, always seeing the best in others and never a negative word. A wonderful way to be remembered. RIP.

“ Bruce and I went to grade school and high school together. We were good friends. We would catch up with each other at the high school reunions and our grade school was going to have the 3rd annual all school reunion in October. We were looking forward to seeing each other. My heart is heavy, and I am sending prayers for the family and friends.
