“ I cherish the memories of our high school days - me in Mt. Vernon and Carol in Centralia. And the three of us including Jerry all about the same age. I wish we had remained closer in the later years. I am glad I did get to talk to Carol not long ago. My wife, Bonnie, and our family will be praying for all of you in this loss. May you all feel God's presence.

“ Carol was one of the most caring individuals I have known. She always had a kind word of encouragement and support. Carol could type faster than anyone else in the office when I worked at Hudelson. I would always tell her to slow down because she was making the other office workers feel bad. Carol had a wonderful smile and a quick wit. She will be missed by many.
