“ I remember my mom making a birthday cake for My Aunt Carole it was in the shape of a Easter bunny. I only wish I had a picture to share with everyone it was a very cute cake.

“ My mother always strong, funny, full of love for everyone and everything. I don't know how to do this with out her. Just knowing she was there always made life better. I Loved being able to pick up the phone and talk for hours about absolutely nothing. Always beginning any conversation with "What's going on?". Always asking how everyone is doing. A five minute conversation was as fun as our hours on end conversations. I only hope that you know you were and always will be loved by so many. You are and always will be missed.
