“ *I spent a LOT of time around, Aunt Sue lol! Never a dull moment at all! She always had stories to tell, and in fact, my parents have a hilarious one on an old home video. I believe she was telling about a flat tire she'd gotten. I also remember a time I was staying with my great grandparents next door to Gary and Sue, and they took me for a spin in Gary's car he always had in Cruise Night. They took me out for pizza. Well, now she can cruise around on the clouds with Gary. Love you, Sue.*
