“ I am so, so sorry to hear of Chodi's passing. I worked with her at Kmart and she was one of the first people I met there. She trained me for working in housewares. She was always so funny and always made me smile. My sympathies to her son and daughter and her dear, dear friends. RIP

“ Chodi you were a great friend and always will be remembered as such. You made me laugh about some of the similar health issues we both shared and I tried to do the same to you. I will definitely see again someday and know that you are not suffering anymore. Remember, just be yourself in heaven and you will have a great time. Wishing you nothing but the best.....good bye Chodi!

“ I am a truly sorry to hear about Chodi. I worked with her at Schnucks and she was so sweet and treated everyone the same. Called everyone "baby doll" or "Peaches." A very hard working person who lived life to the fullest and loved everyone she met. My thoughts and prayers are with All the Family. Be at peace now, "Baby Doll and peaches!" Love ya tons. I Will Truly Miss You at work.
