“ *Colleen was truly a beautiful and dear friend at Centralia Township High School through all four years. We were in many classes together. She always had a smile and kind words to share. I know she was a faithful servant of Jesus Christ and so great to know she is now in His loving arms. May all her family feel her love surrounding them as they grieve her absence but rest assured her loving spirit is with them everyday.*

“ *Al & family, for all of those whom you have stood by at their time of loss and moments of grief, please know each and everyone of them supports you now, as your mom has passed in peace. Trust that it wasn't "good-bye", as she remains in each of your eyes, your smiles and when you turn hearing her in your family's laughter. Blessed always will be her love she left with each of you.*

*My sincere sympathy, old friend

“ *She once told me a story of her and her twin. One of them was spending time with family in another state. I not sure which was which but one of them fell off a bike and broke an arm. The other one was complaining to there mom that there arm had been hurting all day. It wasn't until evening that they found out the other twin had broke her arm.*
