“ *Debbie had a big impact on how I developed as a Christian. When I accepted Jesus as my Savior she became a trusted friend who included me in activities with her family and other friends. She was an example to me of what a Godly woman should be like. She not only talked like a Christian, she lived out her life each day as a Christian. She had the kindest most loving heart of anyone I know. I am praying for her family and heart broken at the loss of Debbie.*

“ *Debbie came into my life when I was I was in grade school. When her and her mom and younger sister first came to town they lived with my family. Debbie was one of the sweetest people I knew. I had the pleasure of babysitting her boys for her when I was in Jr. High. RIP sweet Debbie you will forever be missed*

“ *One of my favorite memories of Debbie was on one of our many garage sale excursions. I had a Toyota Daytona and we both had found a lot of stuff that day...so much so that we couldn't close my hatchback. We were driving around town both checking every now & then to make sure none of our "treasures" fell out. LOL At the last sale we went to that day, we crammed a few more items in, I looked at her & said, well I guess we have to go home now. She asked why & I told her we could not fit one more thing in the car. We both got tickled and laughed until we cried. That was a good day! I can still hear her laugh...*
