“ Ms. Dee,How do I find the words to say goodbye? It just never occurred to me that a day would come when you where not here for me. You have been my sunshine in so many ways as my God-mother, my sister, and my friend. Today, I cannot help but feel such overwhelming sadness as I don't want to say goodbye. My memories of you will never fade and my thoughts of you will never leave my heart; that way, I know you will never be too far away. Love You Much!

“ Delores, it was absolutely wonderful working with you. You were always knowledgeable, funny, kind, patient, and tender-hearted. When the payroll responsibility went to my counterpart, I was not going to miss the payroll duties, but I was going to miss working and speaking with you on payroll issues. On those occasions you called me, or I called you, and hearing your voice, it was pure joy. I miss you tremendously. Thanks to the Lord for bringing you into my life. I will never forget you and I thank you for sharing your wisdom with me. You are a wonderful human being. God bless you, Delores. You're a real class act. To the Pulley family, my deepest sympathies for your loss. May God continue to comfort and give you strength during this difficult time.
