“ Aunt Delores had the Seiber stubbornness; however, underneath that exterior, she had a big heart, and she would give you the shirt off her back if you needed it. I remember her fondness for fixing her hair in "up dos" and using her porch to provide barber services for her boys and Uncle Bob. I fondly remember every Memorial Day weekend when various cousins were dispatched to the park to "hold" tables for our large family picnic. I'm heartsick that I cannot make it to the funeral services; however, I am so thankful that Mark and Deanna coordinated together to make it possible for me to say my "goodbyes" to her with the phone up to her ear shortly before she passed. Rest in peace, my dear auntie, and give my Dad a big hug and kiss for me when you are re-united with him. My thoughts and prayers for peace and comfort at this extremely sad time to my cousins and her grandchildren.
