“ I wish to extend my sympathy in the death of Dolores. Many years ago we spent playtime as little girls at the home of Grandpa Torricelli in "southtown" on S. Poplar St. She will always be remembered as a very happy and caring lady. May God be with you all. Nora (Beal) Jackson CTHS class of '53

“ Jolene..still just cannot believe this! I am so very sorry about your mom. God how we loved her. As a nurse, I know this is just a part of it, but we are still just as shocked by the ones who take us by surprise. Your mom sure did that, didn't she? I know with all my heart that she has met Jesus face-to-face and I know that she yearned for that. I have no doubt that she is already hard at work trying to fix the problems of this world. Her "Messages From Heaven" flyers will now have a special meaning to me because her message will be there. Emily ended up sleeping with me last night. Kids have a harder time understanding death and don't get the sense of peace that comes with knowing that they are in a better place. She said that I need to make sure that no one else gets her room because that's "her room." :) Even though you and I know that someone will end up in that room, in my heart, whenever I pass that room, I will be thinking about your mom. I am praying for Gods healing arms to comfort you through this extremely difficult time. We will see you Thursday. I am here if you need anything. You were a wonderful daughter to her Jolene. Please be comforted by that. Love and prayers...Judy and Emily
