“Daddy, I'm still trying to process your death. I had so many wonderful memories growing up. We had so many great times. I have some regrets for not being in your life more as I got older but I am so glad I reached out to you when I did. I'm so glad I got to make the trip home to see you last year even though I knew that would be my last time seeing you alive. I'm so glad you knew I loved you & I know you loved me. I am trying to deal with this pain of losing you but I will and I will carry great memories of you forward in my life and let my grandkids know what a great daddy you were. Love your little girl forever. 💕 Love, Shelia
