“ I love you mom! I miss you so much already. You were my rock, the person I could always turn to, when I needed to talk. You would do anything for us, and you had such a caring, loving, sweet, kind and grateful heart. I wish I could hug you again, and tell you how much you I love you, and how much you meant to me. I will miss you so much, but I know you are looking down over us, being our guardian angel, and taking care of everyone you loved <3
