“ I have a lot of memories with Doug to many to mention here, but a few were as kids we would hang out with our west side friends going to swim at the Centralia park pool, going to the roller rink, riding bikes all over town. He got me my first job at Kentucky Fried Chicken in 76. We would laugh so hard listening to Richard Pryor records. Doug's face would turn beet red and he would tear up with joy. Those were my best memories of him. Soar hi my friend! See you on the other side!□

“ Doug was our neighbor across the alley and we are saddened to hear of his passing. Our memory of him will always be how he would park out at the point and just sit there in his vehicle.
