“ *Dustin, I knew immediately you were an incredibly sweet, gentle, and caring co-worker but as we got to know each other you became a much loved friend. I will always remember the look of happy surprise on your face when we realized we were both born on March 3rd AND worked at Disneyland yet never met until our lives brought us here. I know in my heart that I speak the truth in saying that all of us at the MAC miss you. I am blessed to have had you in my life. My sympathy goes out to his partner, family, and all of us who knew him.*

“ *BEST WISH: God saw you getting tired and a cure was not to be, so he put his arms around you and whispered "Come to Me" With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest, God broke our hearts to prove to us, he only takes the best.*
