“ Eddie, I remember you as the sweetest little cousin. Unfortunately, due to miles between our families, it saddens me to know I never had the opportunity to meet you as an adult. I see you grew up to look exactly like your dad. I know you became a successful and wonderful father and I am proud of you for your accomplishments. I am sure your mom was there with open arms to comfort you, may you rest in peace.

“ My deepest sympathy to all of you. There are many miles between us but each of you will always be close and hold a special place in my heart. When you are saddened, STOP, think of his smile and the funny things he has said or done. Good memories helps to ease the pain. Eddie, I know you are now at peace. May God love you as we all do. Give your Mom a big hug and kiss from me. We will all miss you! Much love, your cousin Linda Gustafson
