“ I am shocked that my good friend Finis had died. I am so sorry that I hadn't called him for a while. I bought much of the parts for my 38 Chevrolet Cabriolet over the last 10 years. I hope that the family will contact me. Finis has my phone number in his records. Please call me!

“ Finis was my coffee buddy at Hardees. Also on the weekend, we would go have breakfast. On the last day I saw him we each had a sausage and egg biscuit at Hardees. One of our favorite places to have breakfast was Cracker Barrel in Mt Vernon on Sunday morning. I am deeply saddened by his passing. All I hope is that I made a positive difference in his life. May you rest in peace, Finis..
