“ *Gary was one of the best car pool I've had on the Railroad. Sharing long stories and annoying each other to pass time.. Running down the highway with him was always an adventure. Atleast once a trip i would get pulled over and Gary would wake and side eye me and ask "how fast this time?" Long rides to Texas,Arizona, and New Mexico. Any time Gary's car would brake down the story always started with "my cars transmission shot craps". Miss you and thanks for being a good friend.*
