“ Genny sold us our first home when we moved to Centralia after Richard's retirement (Florida). Then she sold that house for us. When we sold our second home south of Salem, she made us her last customer. But Genny was more than super real estate gal, she was the most wonderful, caring, giving person to all who she came in contact with. She never met a stranger, and we shall remember her with very, very special memories. God bless you Genny on your next journey. And George, she loved you dearly.
