George W. Ray, 90 of Centralia, passed away Friday, March 24, 2017 at Carlyle Healthcare Center.

# Tribute Wall

“ Joe, we are very sorry to hear about your dad. Al and I would like to send our condolences to you, Shelly, and Emmalee, and, also, to your family. May all of your memories help you as you mourn him.

“ Joe, Shelly, and Emmalee; you all are in my prayers. I met George at CHC. He was a funny man. Always talked about his Joe. He would tell me Shelly you kept him in line. There was not a day that would go by , he didn't yell at me from his door when I would go by his room. He always wanted to know where his pants were. I would tell him we are washing them. For everyone.
