“ Vickie and family. Sorry for your loss. Bud was one of those good guys who would do anything for anyone and always had words of encouragement regardless of how he was feeling. I know you will miss him but find comfort that he is free from life's hardship.

Our Dear Buddy, (Nephew) we will always remember how sweet and kind you were. We never met any one that didn't like you, or had a happy story to tell on you. We remember you and Vicki would come and visit us and bring your babies. We had happy times together. We always loved you, but you was easy to love, you had a kind and sweet heart. My sympathy and heart felt love we are sending to your wife, children and the rest of your family. God Bless all of you during this difficult time. Your Uncle Bruce and wife Loretah Wilkerson
