“ To the Family and Friends of "Jeannie"...I was very saddened to see that "Jeannie" has passed away. She and I had fun sharing first and middle names as Lutheran grade school buddies and CHS classmate friends. Her beloved, Mother, helped take care of my Father during his illness. I will always treasure the memories we created and the special times we had together at CHS class reunions and was looking so forward to seeing her at the upcoming 50th reunion. May the weight of your grief be lightened by the joy of being connected forever to someone so special. God bless her soul. Our deepest sympathies to all family and friends. “ • I am at a loss for adequate words to express my grief for you. I had the blessed opportunity of knowing Jeannie and I know heaven just received one of its most special angels. I am so sorry for your loss.
