“ Wayne, I loved that photo you sent of the siblings by Uncle Gregory's hospital bed! Those Smith kids look so mischievous even in their 70s!?. And I think how blessed we are all to have families that love us and bring us joy. I know you took great care of Uncle Gregory while he was sick and I have no doubt you were blessed in doing so. My prayers and thoughts are with you and Brittany today. May the love of family and friends bring you comfort during this sorrowful time.
