“ Gwen always had a hug for me when we would see each other. She had a cheerful smile and we enjoyed visiting with each other. It could be at the VFW, at the Moose Lodge, or the American Legion. I'm Blessed to have been able to call her my friend. She will be missed by everyone. My prayers go out to Steve and her family.

“ Aunt Gwen where to begin. You could always bet that when someone was sick or in the hospital you would be the first one there. You took care of grandpa and grandma for us and was there for me anytime I needed you. I use to stop in on ya at the plumbing store often and I loved it when the men would come up there and ask for another man to explain their problem. But good ol Aunt Gwen would let them know that you knew what you was talking about. You would tell em how to fix it and they would walk out of there with there head down lol. Jack of all trades. Didn't need anyone to fix anything for her. You will be forever missed Aunt Gwen, thank you for always being there for me and our family. I love you ❤️
