“ I remember when we, Matt and Stephanie Hannon, moved into an apt. Next door to violet Arnoldy an met her daughter, Heather. It was an instant friendship with them and us. We can't explain how sad and distraught we were when Miss Vi told us the news. We know how many people loved her and her unique personality! Her and Miss Vi were out very 1st people we became good friends with and will never forget all the great times we hung out with them because they were more like best friends as well as mother and daughter. They played off each other's witty and funny personalities! To Miss Vi and all who knew an loved her, we want to extend our deepest sympathy and prayers to each of you. We might not have been lifelong friends, but the years we were privileged to know and spend time with her and her mother, miss Vi, were always good ones. We pray the Lord heals the brokenhearted an all who loved her. We also pray especially for her Mother, Miss Vi, because they were so close. We will miss her and Miss the way she could make you laugh when you felt down an so many things that there isn't room to list them all here. She will be deeply missed an we loved her so much along with her mother. God bless everyone an may God comfort all who feel the tragedy of her passing. She will always remain in our hearts and thoughts.

Sincerely,
Stephanie and Matthew Hannon
