“ *My condolences on the loss of a wonderful man. I had Mr. Hartshorn in 1993 as my math teacher. It was my first foray at college after being out of high school for a lengthy period of time. I will never forget his incredible kindness to me, and his willingness to go over things again and again as I got back into the swing of schooling and homework. I was an older student, and he truly was a godsend. Blessings for this wonderful man, and may his family find the peace they need at this time. Cindy Schmidt*
