“ Although Henry and I never met "in person" I felt a kindred spirit in his sometimes raucous, sometimes humorous, sometimes biting, but always gentle manner. He always brought a smile to my face with his welcoming, kind comments and guidance. I am deeply saddened at my loss in his passing. May your pain and sadness at his departure be lessened by knowing how much those of us who knew him ad Kingsnake59 cared for and appreciated his presence. God Bless You.
