Dearest Larissa, It deeply saddens me that you and your family have lost your precious grandfather, but it makes me happy the angels have placed him in Jesus's arms to hug him tight, hold him and welcome him home. Heaven is such a beautiful place. There's no sorrow there, no pain, and no suffering. There is only joy and happiness. Rest assured your grandfather has a new body that is not in pain and he isn't suffering now. He is enjoying his life like never before. I know you and your family are going to miss him so very much, but one day you will be with him forever and you will never be away from him again. Steve and I are prayng for peace and comfort for you all during these difficult days and weeks ahead. You are so wonderful and such a delightful friend, so kind, sweet. and caring and you truly love your family so much. You are so very precious to me. I love you, sweet girl.
