“ I can't put into words how much you truly impacted my life in an unreasonable level of positivity. You showed me that I was worth a better life. You loved me when I didn't even love myself. You believed in me when even my own family had counted me out. And you never judged me for my bad reputation n mistakes. You seen the beauty in everything n everyone. And you always helped those you loved unconditionally. You truly were a beautiful soul. And I will forever miss you. I wish this wasn't true. You are loved Arielle. And Jax and Oliver too. RIP

“ I worked for several years for her dad and grandpa at CSES, and when my daughter was having surgery they let me bring my grandkids to work and Arielle babysat them for me. This is so heartbreaking. Curt & Carol you're in my thoughts and prayers.
