“ *Grandma, thank you for everything you have done for me, thank you for taking me to the eye doctor and helping me with my surgery's as a child. I have many great memories of you and grandpa Dave! One of the best things you ever did for me was giving me grandpa Dave as a grandpa. I had so much fun going to your house on the holidays and you sending me home with a big bag of cookies and the best ham ever made! I wish I could have told you these things but life has a funny way of passing by and now it's too late, but I will always cherish our memories of the times we spent together here on earth. Now I must have faith in Gods word and trust that you are in a much better place and not in this hurtful world. I love you and thank you for being my grandma Janet !! I hope your having fun with Grandpa Dave! I know how much u missed him. Love you!*
