Janet loved to bake. She always made sure all who attended Christmas dinner had their favorite cookies and more to take home. She also loved working in her yard and posting pictures of all of her beautiful flowers. Janet loved going to Cardinal games and watching them on television, although she turned the volume down when listening to Tim McGyer. She enjoyed fishing with David and Kendall, but especially loved spending time with her friends and family.

In addition to her parents, she was preceded in death by her niece: Amy Dillion. Janet fought a long, hard, and courageous battle against cancer. Her family prays for anyone else fighting the same battle. She loved to watch her granddaughters: Lily and Hannah play basketball and softball.
