“ I loved my sister! JANET (SCHOONOVER), Wilkins She had a big heart, and very kind. She developed a disease that distorted her facial features and her fingers, but she was still beautiful in my heart! She took after the McIntosh's, my mom's side of the family. I had 5 sisters (2 were twins), and 1 brother, the oldest. I miss my family. I don't know if my youngest sister is still living. If not I am the only living left in my family.
