“ *There is nothing I can say to ease your pain, but I am forever sorry for losing someone so special. Jeanette was such a special lady and was a good friend to my family. I have such fun memories of square dancing with her and Jack. She introduced me to playing Phase 10 and it is still one of my favorite games. Whenever she saw me she always said Hi neighbor were neighbors for 30 years.*

“ I came to know Jeanette and her family 28 years ago when I started dating her oldest granddaughter, “Amber D” as she called her. From the moment I met her and Jack I knew they were wonderful people. I have loved having them as my only grandparents by marriage for 27 wonderful years. Jeanette always had a joke to tell me and she always wanted me to tell her a “dirty” joke. She always went out of her way to make people feel welcome in her home and stuff their bellies. I cherish the times I spent with her. She will be greatly missed.
