“ Our prayers are with the Jolliff Family. I, Rusty, never met Jay personally but would visit with him on the phone. He would leave gifts in my room at Jimmie's ranch and I would keep extra food in the blind that he liked to hunt. I felt a friendship with him even though we never met. Rest in peace pal and God Bless.

“ Our deepest condolences to the entire Jolliff and extended "family". Our social circle had so many common people, so our paths would cross time to time. Always spoke, treated me like he had known me for years. Made you feel so welcome. He had such an infectious spirit that filled the room when he was there. Hard not to smile in his presence. Will be missed dearly by all who knew him and loved him.

“ Jay you will be missed in this family. Last time you & I were texting away you were going to come this year to visit us all in Dallas. Now every time I see a Red Cardinal I will know it's you visiting. You were the sweetest boy growing up & always fun to be around. Your signature smile I can see right now and it makes me smile. I love you and one day will see you again. RIP cousin Jay. ?
