“ *God gave you to us and just the same he took you away...this was in the plan from the beginning. He gave you life and made you one of a kind because he knew your heart and faith would reach so many. In life you were loving, kind, nurturing and always thought of others. I have no doubt that the angels in heaven celebrated to see you joining them! What a gift they have received. God knows that many are hurting from your loss but that same God will begin to heal once they have had time to grieve. Uncle Jim, Rusty and Jimmy my heart hurts for you she was like no other. I continue to keep you in prayer. Please continue to live as she did and share her same joy.*

“ I've known you since I was knee high to a grasshopper. From the moment I walked into that Church, you and Mary took me under your wings. You nurtured me like a baby bird. And from that day forward, I was like one of your own. Mom and I will miss goin to eat with you and Mary. Or just sittin and talkin with you. You kept Jim and I in line. Especially when we pestered each other. But I know you'll still be there, doin just that. Please watch over me as I teach your class. It'll always be yours. We love and miss you down here. Love always Lora and Amber Grose
