“ *No one could replace my mom, but Juanetta sure made me feel like one of her kids! I love her as if she were my own. I'm so thankful to have gotten to spend the last few years with her, getting to know her and care for her. She was so proud of all of her children and grandchildren and the new addition of the 2 great grandchildren!! Thank you to her for being so wonderful and I'm especially thankful for her family for letting me share in such special time of her life! I'm thankful she is no longer suffering and I'm sure she has already made friends with my momma! Until we meet again..... Love always your daughter in law, DeeDee*
