“ Dear Red, Mark and Beth, I'm so sorry to hear of Kenny's passing. We had a lot of fun as kids when our parents would get together especially the weekends at the lake. Condolences, Jim Wilson

“ Two years ago at our '40th'(41st) HS Class reunion, Kenny, Bob and I amused ourselves trying to identify our former friends from an 8th grade graduation and 8th grade boys basketball team picture. Kenny was incredibly proud to be a member of both St.Mary's Class '69 and CHS Class '73. His smile, kind spirit and unassuming nature were infectious. No doubt there were many from both classes who were happy to welcome him at Heavens door. May he rest in peace.

“ Ken was truly a wonderful friend and co-worker. He was such a joy to be around. We spent many hours talking and listening to music. He loved music and his family. He will certainly be missed.

“ I had the pleasure of being one of Ken's co-workers. He was a very knowledgeable and caring person. Even though I only worked directly with him for 6 months, it was long enough to know how much his family and especially his grandchildren meant to him. We were so fortunate to have him grace us with his musical talent on the guitar and his soulful voice. He will be greatly missed. Prayers of comfort for his loved ones!
