“ *We mourn as we hear that the good man and dear friend has departed. We were only in sporadic contact for the last 20 years, but I knew him since 1981 when we became good friends. He eventually ended up in my Eparchy and studied at our theological school. -- Times have changed, but we stayed in good contact. I also visited him in Centralia and was planning another trip last summer, but Covid19 didn't let it happen. R.I.P. (requiescat in pace / may he rest in peace).*

“ *Papa Ken you were the kindest loving giving man I have ever met. You had the heart of Jesus! One of my favorite memories is when you me and D bought matching emoji turd hats and wore them into Bonnie's we laughed and laughed. I always looked forward to our Tuesday meatloaf dinners at Downtown Lounge, where you were known as Father Honey, which was very fitting!! You were there for me when my mom was dying with cancer I am forever grateful! You were an amazing asset to our community a blessing to so many in so many ways! I miss you very much your funny heartfelt phone calls. You were definitely a special flower in my bouquet in life! RIP my dear friend in Christ love and miss you!! Not goodbye until we meet again. Love Montell Noah and D 🌈❤️*
