Lana and Rich loved to play darts and were members of the Southern Illinois Dart Association. They also built an award-winning garden at their home in

Breese, where she would spend hours watching the butterflies and hummingbirds enjoying the flowers and feeders she kept for them. Christmas was her favorite time of the year. Her entire house became a winter wonderland, with every room having its own theme, and a personalized stocking for everyone who walked through the door. You always felt welcomed and never left empty handed.
