“ To my Brother Larry Stoafer, I remember the first time I met you. You were calling on my sister Linda and I was 14 or 15. From that very first time I knew I was going to like you. We went thru a lot, I helped you and Linda move, I don't remember how many times. You hooked me up with my very first car a 1957 Chevy. We overhauled the transmission and got the rest of it running. We did get it out of a field in junction city. I drove that car forever until I tried to take out a telephone pole with it. You had my back a few times, and I had yours a few times. You sold me one of the fastest cars in the 1/8 mile at the Fairfield track. I will never forget what you done for me. I will miss you, till we meet again. One more thing, tell our SON ALAN we love and miss him so much. Gary and Maggie Hopper.
